

Hello,
thank you for contacting us.

For large groups or for YOUR special events we have two excellent solutions:

- **The (Lucky) Room**, our historic first pub.
A fully independent room with toilet facilities and sound system, equipped if desired, also with football table.
Capacity is 35-40 seats or 50+ seats in case of a standing party.
- **Veranda**, a glassed-in panoramic space with wooden interior and heated by a warm stove in winter.
Capacity is 25 seats or 30+ seats in case of a standing party.

The (Lucky) Room

We propose two formulas for this space:

- **Space Rental Formula:**
The cost is €200 for up to 40 people, including cleaning and glassware. For groups of more than 40 people, an additional €2.00 per person will be charged.
- **Full Buffet Formula:**
There are no rental fees for the room.
a menu is studied together with an expense limit of 450€ (a lower expense could also be defined, but in this case below the minimum limit we have to apply a fee of 75€).
- For both formulas, the closing of **The (Lucky) Room** is set for 1:00 a.m. Before closing the staff will collect plates and glasses and leave paper cups. You will then be able to cheerfully enjoy the end of your party.
- The menu has to be decided before because we do not offer à la carte service. Lucky Brews staff provides only partial supervision.
- We are an craft brewery, brewing our own beers, so please don't bring your own beer! :) (Outside beers are not permitted.)
- As for the food proposal, we can choose together the solution that suits you best.
In our experience, however, you can find the most functional formula below:

Buffet	*7,50 €	Main Dish	Drinks
(5 shots to be defined together): Sliced meats/cheese/bread Hummus with bread croutons Fried polenta French fries Onion rings Olive ascolane Potato croquettes Cacio e pepe croquettes Chicken wings Smoky chicken nuggets Meat balls with tomato sauce and bread croutons Mini buns with pulled pork or pulled pork plant based (+0,50€ each)	example	Selection of Bruschette (1 for every 2 people) *4,50 € Slice of pizza pan *5,50 € Chili with sour cream and nachos (veg version available) *7,00 € Chicken curry with basmati rice *7,00 €	Beer <i>free plug on loan</i> 8,50€/Lt. <i>with 20 or 24-liter drums</i>
			1.5L Beer Jug 15,00 €
			Soft drink (water, coca cola...) 1,50 € /px
		Sweet *4,50 € Single dessert or encore of desserts	Prosecco bottle 15,00 €
			1.5L Spotted Spritz Jug (Aperol or Campari) 20,00 €

*price per person

- We also have an in-house bakery that can satisfy all palates.
We still allow people to bring in their own desserts as long as they are from outside bakeries and/or wine or other materials if the expense for **The (Lucky) Room** is more €550. (If the cake is from a bakery other than Lucky Brews, plates and forks must be provided by the customer).
- **The (Lucky) Room** can be set up by you with balloons, banners or other decorations. The use of "confetti" or balloons containing confetti is not permitted. even in the days before your event, by prior arrangement.
- As for music, you have a totally independent system.
Simply connect your smartphone, player or computer to our system and your playlist will be the official music of the evening.

Veranda Lucky folks

There are no room rental fees. The food proposal is similar to The (Lucky Room) with the following differences:

- The minimum spending limit for full and exclusive use of the Veranda is €400.
- The closing time is tied to the Tap Room closing time,
- The music and toilets are the same as in the Tap Room.
